

Ukraine Prayer Update – Monday, March 21, 2022 – Day 26

Praise Points

• Highlights

- **Russian Naval Commander Shot** - Ukrainian forces have shot dead in Mariupol the deputy commander of Russia's Black Sea Fleet, First rank captain Andrey Paliy, 51.
- **Ukrainian Drone Strikes** - Aerorozvidka, a specialist air reconnaissance unit within the army, says it has destroyed dozens of "priority targets" including Russian tanks, command trucks, and other vehicles in nighttime raids. Russian forces stop moving during the night and typically hide their tanks in between houses in villages where conventional artillery cannot strike them, Yaroslav Honchar, the unit commander based in Kyiv. "We strike at night, when Russians sleep," Honchar told the paper. "In the night it's impossible to see our drones." "We look specifically for the most valuable truck in the convoy and then we hit it precisely and we can do it really well with very low collateral damage. Even in the villages, it's possible. You can get much closer at night," he said.
- **Russian Losses** - General Staff of Armed forces of Ukraine estimates Russian army fatalities at 15000 dead while UK estimates 1000 Russians each day injured or dead. Along with 498 Tanks, 1538 Large Mobile Rocket Launchers, 240 Artillery Systems, 80 Small Mobile Rocket Launchers, 97 Planes, 121 Helicopters, 969 Vehicles, 3 Ships & 24 drones destroyed
- **Russian Attack Ineffective** - Ammonia leak at Khimprom in Sumy from attack. Affected area is about 2.5 km. The direction of the wind to the Novoselytsia village. Emergency crews are working. There is no threat to Sumy at the moment (wind direction not to the city)
- **Israel** - Ukraine President Zelensky tells Israeli members of Knesset the Russian invasion is an all out war the is aimed at destroying Ukraine people and this is why it resembles what the Nazis did to the Jewish people in the Holocaust while the Russians attempted and failed to hack his broadcast
- **Mariupol** - Russia demanded Mariupol's surrender by this morning but Ukraine rejected it now the Russians are offered by "safe passage" out of Mariupol into other Russian-occupied areas
The block-by-block fighting in Mariupol itself is costing the Russian military time, initiative, and combat power.

• China

- **Unwilling** – in spite of 8 years of developing a mutually beneficial financial relationship with Russia, China is still attempting to maintain plausible deniability, meaning they are not certain Russia will succeed, and therefore withholding real support

Prayer Points

• Highlights

- **Belarus** – Ukraine's Ministry of Defense on Sunday claimed that Belarus is preparing its military to invade Ukraine before warning Belarusian President Alexander Lukashenko, an ally of Russian President Vladimir Putin.
- **Syrian Fighters** - President Duda: According to @ZelenskyyUa, Russians from Syria are coming to Ukraine, and mercenaries from the Middle East supporting RU. Syrians are the most numerous. In this context, more NATO assistance to Ukraine is needed. - Russian military officers have recruited 40,000 Syrian fighters to join the Kremlin's war against Ukraine, a monitoring group said. The Syrian Observatory for Human Rights said registration offices have been set up by Russian officers. So far, members of the Syrian army and allied militias with combat experience have been registered to be

on standby for deployment, with Moscow offering a salary of \$1,100 a month. 22,000 of those on the list have already been approved by Russian officers. Another 18,000 registered separately and were awaiting vetting by the Kremlin-linked Wagner Group, but None of the 40,000 Syrian fighters have been confirmed yet as having departed for Ukraine. But independently as early as March 11, Syrian fighters are being flown back to Syria from Benghazi, Libya to be prepped to be sent to Ukraine.

- **Slovakia Receives Patriot Missiles** - "I am happy to confirm that the first units in charge of deploying the Patriot air defence system are gradually arriving to Slovakia Defence Minister Jaroslav Nadsaid. The minister said last week that Slovakia is willing to give the S-300 to Ukraine if and when it gets a proper replacement. Nad said the Patriot system will be a complement and not a replacement of the Soviet-era S-300 system that Slovakia operates.
- **Ukraine's Drones** – Aerorozvidka, a specialist air recon unit within the army, says it has destroyed dozens of "priority targets" including Russian tanks, command trucks, and other vehicles in nighttime raids. Russian forces stop moving during the night and typically hide their tanks in between houses in villages where conventional artillery cannot strike them, Yaroslav Honchar, the unit commander based in Kyiv. "We strike at night, when Russians sleep," Honchar told the paper. "In the night it's impossible to see our drones." "We look specifically for the most valuable truck in the convoy and then we hit it precisely and we can do it really well with very low collateral damage. Even in the villages, it's possible. You can get much closer at night," he said.
- Western powers are claiming to be confused by different messages from president Zelensky. But this is fundamentally untrue. As he has consistently said the only grounds for negotiation of a cease-fire bar that Russia would lay down arms and give back all the territory they are taking. The only reason why Ukraine is no longer seeking need a membership is that NATO has made it abundantly clear that countries all the talk they will never allow Ukraine to be a member of NATO or the EU.
- Biden will hold a virtual meeting on Monday with French President Emmanuel Macron, German Chancellor Olaf Scholz, Italian Prime Minister Mario Draghi, British Prime Minister Boris Johnson, and other European leaders. And then travel to Europe on Wednesday for NATO Meeting Thursday in Brussels, Belgium and then to Warsaw, Poland to meet with President Duda on Friday

- **Planes & High Altitude Missiles** – provide the means to reach and stop the bombers and missiles that are ravaging Ukraine

● China

- **Divide China** – Turn them on Russia overtly
- **No Arms** – let them provide no arms or other military supplies (like MREs)
- **No Financial Support** – that the somewhat independent banking sector would refuse to risk international sanctions and that all loopholes would be closed
- **Set Divide with Saudi Arabia** to stop them selling oil in Yuan

● India

- **No Support of Russia** – they would cease abstaining in the UN
- **No Financial Deals with Russia** – purchase no oil
- **Modi to Fall** – that this would expose him and his party
- **The World** – all would turn on India for attempting to circumvent sanctions

● UAE

- **No Support of Russia** – they would cease abstaining in the UN
- **Sell Oil to Europe** – increase production
