- **Mariupol** – some units have surrendered, the port has been taken, and the people and military in Mariupol are encircled, but to be clear, this does not change the basic situation of the past 40 days, as the 100,000 are still trapped and the Ukrainian military fights on. Over 20,000 have died and over 90% of the city's infrastructure has been destroyed. Pray for supernatural provision, resource multiplication, protection and wisdom!
- **Russian Mobilization** – Russian is attempting to mobilize 70,000 from occupied Donbas and the Wagner Group is still attempting to get their 40,000 troops from Syria, while additional 135,000 new troops have been in Russia. - **Air Raids** – the entire country experienced air raid warnings over the past 24 hours to a level never seen in the entire invasion both as intimidation but also for recon in preparation for the coming assault.

- **China** – has doubled down and the Russian propaganda and refused to admit the atrocities were committed by Russia or any other point
- **France** – Macron is in a political fight for his life in his election campaign and therefore backing off of joining with US' Biden and Canada Trudeau in calling Russia's crimes genocide, because Russians and Ukrainians are "brotherly people."

- **Economy** - Ukraine economy to contract 45.1% this year, Russia 11.2%: World Bank

Although they can obviously feel incredibly justified, this is destructive to them and provides ammunition to Russia their attempt to create an alternative narrative in Ukraine.
- **Russian Military** - Russia is sending an 8-mi long convoy of 100s of vehicles, including armored vehicles and artillery southbound through the Ukrainian town of Velykyi Burluk. The convoy is moving about 60 mi east of Ukraine's 2nd-largest city of Kharkiv, as Russian focuses on Donbas. - **Russian Lies** – Russian Propaganda has gained a huge following in Spanish-speaking countries. For an example of the latest wave, "Ukrainianism is an artificial anti-Russian construct that has no civilisational substance of its own, a subordinate element of an extraneous and alien civilisation," wrote a RIA Novosti columnist earlier this week. The "re-education" of Ukraine could take a generation, he wrote, adding that "besides the highest ranks, a significant number of common people are also guilty of being passive Nazis and Nazi accomplices".

- **May 9** - Reports are that Putin needs the invasion successful in time for the Victory Day parades, thereby threatening great attacks over the coming month. Putin would want to have an "announceable success" by then, which could create "some tension" with Russian commanders as exhausted forces were likely to be thrown into battle fairly soon in an attempt to gain ground in Donetsk, Luhansk and Kharkiv. These are particularly used to create terror to break the back of citizen resistance in occupied territories
 - **Russian Military** – continuing to press in the north, but the real danger is that Russia seems to be preparing for an all-out push in Donbas to encircle the Ukrainian army and to take the entire region and to create a united front against Ukraine.
