

Ukraine Prayer Update – Friday, April 15, 2022 – Day 51

Praise Reports

- **Russian Navy** – the guided missile cruiser Moskva has sunk and its importance cannot be exaggerated. It was a key to the protection of all the Russian ships in the Black Sea. It was also a symbol of Russian power. There was an estimated loss of 456 sailors. It was also the operational center for the entire Black Sea Fleet, meaning a huge loss of flag officers for Russia. It's loss is symbolic and extremely distressing for Russia, as it was considered unsinkable and a symbol of patriotism for Russia and even as of February 26th actually carried a relic, a piece of the “true cross” as an additional effort to make it unsinkable. Therefore the sinking of it to Russians symbolizes that God has Himself turned against their navy.
- **Odessa Blockade** – With the sinking of Moskva, the lifting of this blockade becomes a real possibility and this would open up wheat exports, addressing the very real way in which Russia is holding the world hostage with the threat of famine. But also facilitated the import of weapons and supplies for Ukraine.
- **Air Raids** – Again last night the entire country was faced with air raid sirens as Russia again did reconnaissance on all the Ukrainian anti-aircraft positions and troop movements in preparations for their coordinated carpet bombing and ground attack in Donbas and elsewhere.
- **Truth Revealed #1** – Russia has been using false flag activity in Bryansk as an excuse to threaten cruise missile attacks on Kiev. But Ukrainian Security Service intercepted a Russia call with discussion that Klimovo in Bryansk region was attacked by Russian troops in false-flag operation to blame Ukraine.
- **Success** - Russian Ka-52 helicopter shot down tonight in Kharkiv region. Thus far the Ukrainians have downed 163 airplanes and 144 helicopters.
- **France** – Zelensky had negotiations with Macron last night.
- **Shoigu** – Russia's Defense minister Shoigu was again rushed to the hospital with a heart attack soon after the sinking of the Moskva.

- **Peskov** – Kadyrov, the secretary of the United Russia general council, Andrey Turchak, and several other people who support the Kremlin aggressively criticized the presidential press secretary, Dmitry Peskov. In their opinion, Peskov spoke several times “not patriotically enough” on topics related to the Russian invasion of Ukraine.

Pray Points - Latest

- **Kiev** – as a clear act of retaliation for the sinking of Moskva and to demonstrate the ability of Russia to hit Kiev, Russian ministry of defence claimed attack with Kalibr missiles at plant in Zhulyani near Kyiv that repaired air defense and anti-ship missiles.
- **Russia** – pray that the emotional need to make a huge statement and reaction to the sinking of Moskva will lead to Russia moving prematurely and without adequate preparation and coordination and thereby dooming their own assault. Or to make a move that so steels international resolve that it makes supporting Russia impossible even for China and India.
- **Mariupol** – some units have surrendered, the port has been taken, and the people and military in Mariupol are encircled, but to be clear, this does not change the basic situation of the past 40 days, as the 100,000 are still trapped and the Ukrainian military fights on. Over 20,000 have died and over 90% of the city's infrastructure has been destroyed. Pray for supernatural provision, resource multiplication, protection and wisdom!
- **Russian Mobilization** – Russia is attempting to mobilize 70,000 from occupied Donbas and the Wagner Group is still attempting to get their 40,000 troops from Syria, while additional 135,000 new troops have been in Russia. Massive amounts of equipment are streaming from all points of Russia and even from Iran and Iraq
- **False Flag** – Russia claiming artillery attacks in Bryansk
- **Belarus** - Secretary of security council of Belarus warns of provocations from Ukraine to get Belarus involved in the war
- **Russia** - declares that any attacks within Russia will result in them attacking Kiev HQ buildings

- **US** – pray that Lend/Lease gets fast-tracked and approved in the House today
- **Air Raids** – the entire country experienced air raid warnings over the past 24 hours to a level never seen in the entire invasion both as intimidation but also for recon in preparation for the coming assault.
- **China** – has doubled down and the Russian propaganda and refused to admit the atrocities were committed by Russia or any other point
- **France** – Macron is in a political fight for his life in his election campaign and therefore backing off of joining with US' Biden and Canada Trudeau in calling Russia's crimes genocide, because Russians and Ukrainians are "brotherly people."

Pray Points - Continued

- **Ukraine** - Almost two-thirds of Ukrainian children have fled their homes, the UN says. About 4.8 million out of 7.5 million children had to leave their homes, said Manuel Fontaine from UNICEF. He confirmed the deaths of 142 children, but added that the number is "almost certainly higher"
- **Economy** - Ukraine economy to contract 45.1% this year, Russia 11.2%: World Bank
- **Rage** - Pray against rage as videos have come to the four about Ukrainian soldiers summarily executing Russian soldiers. Although they can obviously feel incredibly justified, this is destructive to them and provides ammunition to Russia their attempt to create an alternative narrative in Ukraine.
- **Russian Military** - Russia is sending an 8-mi long convoy of 100s of vehicles, including armored vehicles and artillery southbound through the Ukrainian town of Velykyi Burluk. The convoy is moving about 60 mi east of Ukraine's 2nd-largest city of Kharkiv, as Russian focuses on Donbas. - **Russian Lies** – Russian Propaganda has gained a huge following in Spanish-speaking countries. For an example of the latest wave, "Ukrainianism is an artificial anti-Russian construct that has no civilisational substance of its own, a subordinate element of an extraneous and alien civilisation," wrote a RIA Novosti columnist earlier this week. The "re-education" of Ukraine could take a generation, he wrote, adding that "besides the highest ranks, a significant number of common people are also guilty of being passive Nazis and Nazi accomplices".
- **Evacuation & Panic** - Ukraine has urged civilians to leave the east of the country "while the opportunity still exists" before a massive Russian military assault that it expects in the coming days. "It has to be done now, because later people will be under fire and face the threat of death. There is nothing they will be able to do about it.
- **May 9** - Reports are that Putin needs the invasion successful in time for the Victory Day parades,

thereby threatening great attacks over the coming month. Putin would want to have an “announceable success” by then, which could create “some tension” with Russian commanders as exhausted forces were likely to be thrown into battle fairly soon in an attempt to gain ground in Donetsk, Luhansk and Kharkiv. This also is at the end of the 30-day default negotiation period (ending on May 5) meaning incredible pressure is on Russia to achieve victory by then.

These are particularly used to create terror to break the back of citizen resistance in occupied territories
- **Russian Military** – continuing to press in the north, but the real danger is that Russia seems to be preparing for an all-out push in Donbas to encircle the Ukrainian army and to take the entire region and to create a united front against Ukraine.
