

Ukraine Prayer Update – Monday, April 18, 2022 – Day 54

Praise Reports

- **Truth Revealed #1** – Russian Admiral Yevminov has declared that when the Moskva sank it had conscripts on board which reveals the lie that Putin has stated twice that no conscripts are being used in the invasion
- **Truth Revealed #2** – Gerkin the minister of defense (warlord) for the so-called Donetsk Peoples Republic, has called out Russian defense minister Shoigu and president Putin calling the “gnomes” and railing against their handling of the invasion, demanding that he be placed as Russia’s defense minister
- **Truth Revealed #3** – Solovyev, a very famous Russian propagandist with a popular TV show on the main channel has asked how could the Anti-aircraft system, the fire containment systems have failed so horribly! And the popular response has been for the same reason he has 3 villas on Italy’s luxurious Lake Como – one villa from the money he stole that would have paid for the anti-aircraft system, one for the fire-containment system and one for their installation. Russians take it as a matter of fact that their bosses steal, as long as that theft doesn’t end up costing them too much.
- **Truth Revealed #4** – Russian propagandists in popular media simply cannot agree on what happened as to the sinking of the flagship Moskva. Some say it was because it wasn’t actually a great ship like we had been told, but old and bad. Others say, it was failures of the Russian sailors themselves. And others simply want to say that all the sailors were saved.
- **Truth Revealed #5** – In Russia’s attempt to prove that the sailors didn’t die they posted a 26 second, mainly silent, of the sailors standing at attention. The problem is there are about a 100 sailors and we now know there were over 500 sailors and over 100 officers on board. Along with the central command or brains of the Black Sea Fleet.
- **Truth Revealed #6** – Moskva was sunk by a drone first taking out it’s anti-missile system. This was done by the US and UK studying the anti-missile systems of Russia for the last few years and discovering a blindspot that allowed the drone to

penetrate, destroy the system, which then allowed the Neptune missiles through.

- **Support – US** – in their latest aid package have added something they have not shared with anyone and no one else in the world has, drone ships. These are important because they can host the UK’s harpoon anti-ship missiles rendering every Russian ship in the Black Sea, which are already naked from the destruction of the Moskva’s anti-missile protection, completely vulnerable.
- **Sanctions – US** – Jim O’Brien has been established as head over Sanctions Coordination with the goal to find and close each and every loophole to ensure their effectiveness is 100%.
- **EU#1** - Ukraine has completed a questionnaire that will form a starting point for the European Union to decide on its membership.
- **EU #2** - A forthcoming sixth round of EU sanctions on Russia will target oil and banks, in particular Sberbank, the head of the European Commission, Ursula von der Leyen, has told German newspaper Bild am Sonntag. The EU has so far spared Sberbank because it, along with Gazprombank, is one of the main channels for payments for Russian oil and gas.

Pray Points - Latest

- **Evacuations** – No evacuation corridors for the second day.
- **Russian Attacks** - Overnight Russian forces claim to have attacked 315 Ukrainian targets across the country, destroying four arms and military equipment depots with Iskander missiles, and shooting down three planes and 11 drones. None of the claims have been independently verified. Additionally they attacked Kiev, Dnipro and Lviv this morning. And Russia has taken their first town, Kreminna, since they took Izyum 17 days ago. Right now Odessa is engaging air targets.
- **France** - Zelenskiy said he has invited Emmanuel Macron to visit Ukraine to see for himself evidence that Russian forces have committed “genocide”, a term the French president has avoided using.

- **Russia Occupation** - Zelenskiy also claimed in the address that the regions of Kherson and Zaporizhzhia in Ukraine's south were being transferred to "the rouble zone" and subordinated to Russian administration.
- **Mariupol** – Russia are claiming they have cleaned out all the urban areas and reports are the women are sent to deported to Russia while the men are sent to labor camps. Some units have surrendered, Russia is claiming one of the two last bastions, the Ilyich Steelworks and that the port has been taken, and the people and military in Mariupol are encircled, but to be clear, this does not change the basic situation of the past 40 days, as the 100,000 are still trapped and the Ukrainian military fights on. Even if only Avostal Steelworks remains in Ukrainians hands, it is unbelievably large and strong enough to withstand a nuclear blast. Over 20,000 have died and over 90% of the city's infrastructure has been destroyed. Pray for supernatural provision, resource multiplication, protection and wisdom for the 100,000 remaining and for the forces fighting for them. Zelensky has stated that if Russia "eliminates" Mariupol, negotiations are finished.
- **Kharkiv** – shelling continues and actually has intensified over the past 72 hours.
- **Russian Military** – continuing to probe, today moving toward closer to Zaporozhiye.
- **West** – pray that the pressure would continue to mount on western leaders to ban oil and gas imports and to continue to increase meaningful heavy arms donations.
- **Russia** – pray that the emotional need to make a huge statement and reaction to the sinking of Moskva will lead to Russia moving prematurely and without adequate preparation and coordination and thereby dooming their own assault. Or to make a move that so steels international resolve that it makes supporting Russia impossible even for China and India.
- **Evacuations** – pray for all who can and should flee to be able to and to be protected and provided for on the way.
- **Russian Mobilization** – Russian is attempting to mobilize 70,000 from occupied Donbas and the Wagner Group is still attempting to get their

- 40,000 troops from Syria, while additional 135,000 new troops have been in Russia. Massive amounts of equipment are streaming from all points of Russia and even from Iran and Iraq
- **False Flag** – Russia claiming artillery attacks in Bryansk
 - **Belarus** - Secretary of security council of Belarus warns of provocations from Ukraine to get Belarus involved in the war
 - **Russia** - declares that any attacks within Russia will result in them attacking Kiev HQ buildings
 - **Russian People** – pray they understand the Truth and reject the lies they've been told and rise up
 - **US** – pray that Lend/Lease gets fast-tracked and raise on the House floor and approved **today**
 - **Air Raids** – the entire country experienced air raid warnings over the past 24 hours to a level never seen in the entire invasion both as intimidation but also for recon in preparation for the coming assault.
 - **China** – has doubled down and the Russian propaganda and refused to admit the atrocities were committed by Russia or any other point
 - **France** – Macron is in a political fight for his life in his election campaign and therefore backing off of joining with US' Biden and Canada Trudeau in calling Russia's crimes genocide, because Russians and Ukrainians are "brotherly people."

Pray Points - Continued

- **Ukraine** - Almost two-thirds of Ukrainian children have fled their homes, the UN says. About 4.8 million out of 7.5 million children had to leave their homes, said Manuel Fontaine from UNICEF. He confirmed the deaths of 142 children, but added that the number is "almost certainly higher"
- **Economy** - Ukraine economy to contract 45.1% this year, Russia 11.2%: World Bank
- **Rage** - Pray against rage as videos have come to the four about Ukrainian soldiers summarily executing Russian soldiers. Although they can obviously feel incredibly justified, this is destructive to them and provides ammunition to Russia their attempt to create an alternative narrative in Ukraine.
- **Russian Military** - Russia is sending an 8-mi long convoy of 100s of vehicles, including armored vehicles and artillery southbound through the

Ukrainian town of Velykyi Burluk. The convoy is moving about 60 mi east of Ukraine's 2nd-largest city of Kharkiv, as Russian focuses on Donbas. He distinguished himself in military circles as a specialist in combating "terrorism," Receiving high honors from Putin for the ways he led in Chechnya and Syria, both areas where the Russian army has been known for their brutality. He also was the leader of the only units that have been effective in the Invasion overseeing the southern portion of the front.
- **Dnipro** - The mayor of Dnipro, a city in central-eastern Ukraine, has urged women, children and elderly people to leave because fighting with Russia is expected to intensify in eastern regions.
- **TRUTH** – pray that an ever-increasing steady stream of the atrocities committed by the Russians will be revealed and documented to maintain the ever-increasing pressure on political leaders and parties to act with speed, vigor and determination.
- **Russian Lies** – Russian Propaganda has gained a huge following in Spanish-speaking countries. For an example of the latest wave, "Ukrainianism is an artificial anti-Russian construct that has no civilisational substance of its own, a subordinate element of an extraneous and alien civilisation," wrote a RIA Novosti columnist earlier this week. The "re-education" of Ukraine could take a generation, he wrote, adding that "besides the highest ranks, a significant number of common

people are also guilty of being passive Nazis and Nazi accomplices".

- **Evacuation & Panic** - Ukraine has urged civilians to leave the east of the country "while the opportunity still exists" before a massive Russian military assault that it expects in the coming days. The governors of the Kharkiv, Luhansk and Donetsk regions were calling on people to move immediately to safer areas. "It has to be done now, because later people will be under fire and face the threat of death. There is nothing they will be able to do about it.
- **May 9** - Reports are that Putin needs the invasion successful in time for the Victory Day parades, thereby threatening great attacks over the coming month. Putin would want to have an "announceable success" by then, which could create "some tension" with Russian commanders as exhausted forces were likely to be thrown into battle fairly soon in an attempt to gain ground in Donetsk, Luhansk and Kharkiv. This also is at the end of the 30-day default negotiation period (ending on May 5) meaning incredible pressure is on Russia to achieve victory by then.
- **Europe/US** – pray they will block all gas imports and provide truly meaningful military support.
- **Russia's Invasion** – pray against the preparations the Russian army is making to re-invade Sumy and Donbas and Mikolaiv

- **Retreating** Russians - Russian troops planted explosives at Cookies plant in Bucha, also poisoned all products at warehouses also retreating Russian forces are creating "a complete disaster" by leaving mines on homes and corpses in their wake, as renewed missile strikes on Ukrainian cities were reported. These are particularly used to create terror to break the back of citizen resistance in occupied territories
 - **Russian Military** – continuing to press in the north, but the real danger is that Russia seems to preparing for an all-out push in Donbas to encircle the Ukrainian army and to take the entire region and to create a united front against Ukraine.

Prayer Encouragement

"Each time, before you intercede, be quiet first, and worship God in His glory. Think of what He can do, and how He delights to hear the prayers of His redeemed people. Think of your place and privilege in Christ, and expect great things!" — Andrew Murray
