- **Truth Revealed #1** - A senior Russian military commander has said that the goal of Russia's new offensive is to seize control of southern Ukraine and form a land bridge to Crimea, indicating that Russia plans a permanent occupation of Ukrainian territory taken in the war. - **Economy** - Russia is inching closer to a default on its sovereign debts after an industry body overseeing the credit-default swaps market ruled Wednesday that the Kremlin failed to meet its obligations to foreign creditors when it paid them with rubles earlier this month. Pray Points - Latest

- **Shelling** – across all of the front from Odessa to Donbas to Kharkiv, Russia has intensified artillery attacks. The idea is to soften up Ukrainian defenses so that ground attacks with tanks and infantry can succeed, but the fact of the matter is that they have little to no accuracy and so have little effect on the well-protected Ukrainian defensive positions and they just do massive damage to civilian infrastructure and residences.
- **Ukrainian Artillery** – all of the defensive positions are using Soviet Era 152mm ammunition and NATO has been scrambling to provide Ukraine with all that it needs but they are running out. As the US is finally willing to send artillery (theirs is 155mm) it will still be months until it can reach the front lines and be used effectively.

 6. Kherson – Russia is facing sabotage from the people but is still attempting to push north toward Kryvyi Rih and west toward Mykolaiv, then to Odessa and to Transnistria and eventually to Moldova.

- **Mariupol** – pray that their food and water are multiplied and supernaturally provided. That Ukraine gets to them and is able to resupply and evacuate them. Also that the Ukrainians there would strike back rather than just hide.

- **West** – pray that the pressure would continue to mount on western leaders to ban oil and gas imports and to continue to increase meaningful heavy arms donations.
- **Russia** – pray that the emotional need to make a huge statement and reaction to the sinking of Moskva will lead to Russia moving prematurely and without adequate preparation and coordination and thereby dooming their own assault. Or to make a move that so steels international resolve that it makes supporting Russia impossible even for China and India.
- **Belarus** - Secretary of security council of Belarus warns of provocations from Ukraine to get Belarus involved in the war

- **Economy** - Ukraine economy to contract 45.1% this year, Russia 11.2%: World Bank

The convoy is moving about 60 mi east of Ukraine's 2nd-largest city of Kharkiv, as Russia focuses on Donbas. The “re-education” of Ukraine could take a generation, he wrote, adding that “besides the highest ranks, a significant number of common people are also guilty of being passive Nazis and Nazi accomplices”.
 - **Evacuation & Panic** - Ukraine has urged civilians to leave the east of the country “while the opportunity still exists” before a massive Russian military assault that it expects in the coming days. The governors of the Kharkiv, Luhansk and Donetsk regions were calling on people to move immediately to safer areas. “It has to be done now, because later people will be under fire and face the threat of death. There is nothing they will be able to do about it.
 - **May 9** - Reports are that Putin needs the invasion successful in time for the Victory Day parades, thereby threatening great attacks over the coming month. Putin would want to have an “announceable success” by then, which could create “some tension” with Russian commanders as exhausted forces were likely to be thrown into battle fairly soon in an attempt to gain ground in Donetsk, Luhansk and Kharkiv. This also is at the end of the 30-day default negotiation period (ending on May 5) meaning incredible pressure is on Russia to achieve victory by then.
