

# Ukraine Prayer Update – Monday, April 25, 2022 – Day 61

## Praise Reports

- **Success** - Ukraine's air force says it shot down Russian Su-34. The fighter-bomber was downed in Kharkiv Oblast, the air force's eastern command said on April 25.
- **Russian Logistics** - Bryansk Fuel Depot explodes potentially crippling Kharkiv, Izyum and northern Donbas offensive
- **France** - Macron won preserving European unity for Ukraine and against Putin's Russian invasion.
- **Germany** - German defense company Rheinmetall has requested approval to export the heavy military vehicles to Ukraine, thus forcing a decision as prime minister Otto Scholz is facing growing criticism at home and abroad for his reluctance to deliver heavy weapons such as tanks and howitzers to help Ukraine to repel Russian attacks. Also just today, The German justice minister says the delivery of tanks and other heavy weaponry to Ukraine would not -- by international law -- constitute his country's entry into the war against Russia. In a political move, German opposition party proposes sending heavy weapons to Ukraine. Germany's Christian Democratic Union/Christian Social Union (CDU/CSU) has suggested adding to a parliamentary resolution that German weapons supplies should be immediately intensified.
- **Canada** - Canada has sent four M777 Howitzers and ammunition to Ukraine. This includes Excalibur extended range GPS guided shells. There are three fuse options available (point-detonation, point-detonation delay, and height-of-burst), and the projectile is employable in any weather condition in any terrain. In addition, due to its extreme accuracy, the weapon often allows for a first-round effect on the target. This negates the need to send multiple rounds downrange. The shipment included an unspecified amount of 155-mm ammunition.
- **Truth Revealed** – UK's prime minister Boris Johnson had a call yesterday with UN's general secretary Guterres where he declared that the UN basically need to be in line with Europe in holding Russia accountable and supporting Ukraine.
- **UN** - secretary general António Guterres will visit Turkey, which has played a key role in negotiations, on Monday before meeting Russian president Vladimir Putin in Moscow on Tuesday and Zelenskiy in Kyiv on Thursday.
- **Railways - Ukraine** - Five railway stations in central and western Ukraine were hit by Russian airstrikes in the space of one hour on Monday, as the war grinds on relentlessly in the south and east of the country. In addition, the offensive from Izyum is within 5m and threatening the Sloviansk line which is key to evacuating Donbas.
- **Kremenchuk** – this central Ukrainian city lies between Kiev and Dnipro and suffered 9 missile strikes today on infrastructure
- **Mariupol** - even as Russia continues to bomb and attack the Azovstal Steelworks, even taking a few warehouses in the northern part, they claim they will let civilians exit Azovstal. The Russian Defense Ministry claims their troops won't attack civilians sheltering at the Azovstal steel mill in Mariupol if they leave the plant on April 25. Ombudsman Lyudmila Denisova earlier said that about 1,000 civilians were trapped at Azovstal, the last Ukrainian stronghold in the largely destroyed and partly occupied city. Pray because every other time it has been a trap.
- **Izyum/Kherson/Zaporozhye** – there is much evidence that Russia is desperately attempting to catch and conscript any and all able men in the occupied regions and force them to fight for them.
- **Russian Attacks** – perhaps because their own men would see it as sacrilegious to attack on Easter but are almost no signs of movement or attacks (apart from Mariupol) except for the incessant fly-overs of all of Ukraine that spark air raid sirens causing people in the middle of Easter celebrations to scramble for the nearest bunker.
- **Russian Military – Tomorrow** – time is running out and so they will begin to attack in earnest perhaps as the true last roll of the die. Because they have till May 9<sup>th</sup> to deliver Putin his victory but even sooner is May 4<sup>th</sup> the financial default and true victory would give them means to negotiate.

international resolve that it makes supporting Russia impossible even for China and India.

- **Belarus** - Secretary of security council of Belarus warns of provocations from Ukraine to get Belarus involved in the war

## Prayer Encouragement
