

# Ukraine Prayer Update – Friday, May 13, 2022 – Day 79

## Praise Reports

### Success

- **Severnodonetsk** - the river crossing that Russia attempted with a pontoon bridge that was repelled actually resulted in a full out rout of
- **Navy** - the newly-delivered auxiliary Vsevolod Bobrov was reportedly struck by a Ukrainian attack and has caught fire. "As a result of the actions of our Navy, the Vsevolod Bobrov logistics ship, one of the newest in the Russian fleet, set on fire. They say she is limping toward Sevastopol,"
- **Snake Island** - Ukrainian drone strikes destroyed Russian air defenses on Snake Island in the Black Sea, shown here in satellite image taken today. The Ukrainian drones took out Pantsir surface to air missile vehicles and destroyed several buildings on the island. Also, a drone strike sunk a Russian Serna-class landing craft at Snake Island in the Black Sea.
- **Odessa** - Russian cruise missiles strikes destroyed the Grand Pettine hotel in the port city of Odesa, pictured here. A senior U.S. defense official said Monday that Russia has "no ability" to threaten Odesa with a ground attack or amphibious assault.
- **UN** - The UN Human Rights Council on Thursday voted to launch a probe into alleged "abuses of human rights and serious violations of international humanitarian law" by Russian troops in the Kyiv region. At a special session of the council, 33 countries voted in favor of increasing scrutiny on the "deteriorating human rights situation in Ukraine stemming from the Russian aggression." Only two countries, China and Eritrea, voted in opposition. The resolution the council voted for includes "[r]eaffirming its strong commitment to the sovereignty, political independence, territorial integrity and unity of Ukraine within its internationally recognized borders, and reiterating the urgent need for the Russian Federation to immediately cease its aggression against Ukraine."

### Truth Revealed

- **Russia** - Fleeing Russian soldiers left behind key military documents that indicated Russian President Vladimir Putin had plans to seize all of Ukraine, the director of Ukraine's State Bureau of Investigation said in a Telegram statement on Wednesday. Ukrainian forces discovered the documents while searching through the northeastern town of

Trostryanets in Sumy Oblast, the statement said. Investigators found "important documents of soldiers of the Russian Federation's Armed Forces that give a clear understanding that Russia was preparing to seize all the territory of Ukraine," Oleksiy Sukhachev, the director of Ukraine's State Bureau of Investigation, said in the statement.

- **Mariupol** - Russian digging of mass graves continues in Mariupol in an attempt to cover up war crimes at Starokrymske Cemetery on the west edge of the city. Mariupol officials believe 20,000 people have died in the city since Russian invasion, more than 4% of pre-war population.
- **Russian Military** - there are difficulties the Russian army has faced as a result of the Kremlin's political decision not to formally declare war on Ukraine – preferring instead to describe the invasion, which will soon reach its fourth month, as a "special military operation". Under Russian military rules, troops who refuse to fight in Ukraine can face dismissal but cannot be prosecuted, said Mikhail Benyash, a lawyer who has been advising soldiers who choose that option. Benyash said "hundreds and hundreds" of soldiers had been in touch with his team for advice on how they could avoid being sent to fight.
- **UK** - International sanctions on Russia should remain in place until all its troops have left Ukraine, UK foreign secretary Liz Truss has told a meeting of her G7 counterparts in Germany. "Putin is humiliating himself on the world stage. We must ensure he faces a defeat in Ukraine that denies him any benefit and ultimately constrains further aggression." She also said that Ukraine's allies should commit to more sanctions against Russia and that they should go "further and faster" to support it in its war. "The best long-term security for Ukraine will come from it being able to defend itself. That means providing Ukraine with a clear pathway to NATO-standard equipment," she said.
- **Russian - Northern Offensive** - The Ukrainian counteroffensive around the north-eastern city of Kharkiv is "starting to look very similar to the counteroffensive that ultimately drove Russian troops away from Kyiv and out of western Ukraine entirely". It was "forcing the Russian command to make hard choices", including by making Russian units focus their bombardments on attacking

Ukrainian troops rather than the city, the US-based thinktank continued. Meanwhile, Russian forces may be abandoning their efforts to encircle Ukrainian troops along the Izyum-Sloviansk-Debaltsevo line in eastern Ukraine in favour of shallower encirclements of the cities of Severodonetsk and Lysychansk in Luhansk. However, it was “unclear if Russian forces can encircle, let alone capture, Severodonetsk and Lysychansk even if they focus their efforts on that much-reduced objective”.

- **Filtration Camps** - After weeks of American reports of Russian detention camps where thousands of Ukrainians have been interrogated and tortured, a senior American diplomat has offered an official assessment of the sites, called “filtration camps” by Ukraine and its allies. In a speech in Vienna on Thursday, the diplomat, Michael R. Carpenter, the American ambassador to the Organization for Security and Cooperation in Europe, said that Russian soldiers had forced thousands of Ukrainian civilians out of their homes and into camps in Russian-controlled territory. Through a “filtration process” involving beatings, torture and sexual violence, Mr. Carpenter said, Russian forces search for civilians who “owe even the slightest allegiance to the Ukrainian state.” The camps have been set up in military tents, schools and sports centers, and Russia had planned for them long before it invaded Ukraine 11 weeks ago, said Mr. Carpenter, a former longtime aide to President Biden. Mr. Carpenter described witness accounts in which Russian soldiers inspected women’s underpants, forced people to strip and examined scars and tattoos. The soldiers also confiscated passports and downloaded data from people’s phones, he said. One survivor, Mr. Carpenter said, overheard a Russian soldier answering a question about what soldiers did with people who “didn’t pass the filtration.” “Shot 10 and stopped counting,” the soldier was said to have responded. The civilians who pass through the filtration process are transferred to the eastern Donbas region of Ukraine, which Russia has been slowly capturing, where they “face a dark fate,” Mr. Carpenter said. Mr. Carpenter said that Russia knew it was violating an international humanitarian law against the forced displacement of civilians. “We must not allow this evil to stand,” he said.

## Arms

- **EU** - top diplomat, Josep Borrell, has said this morning that the European Union would provide another €500m (£425m) worth of military support to Ukraine, and that he was confident a deal could be reached in the coming days to agree an embargo on Russian oil.

## Pray Points - Latest

- **Mariupol** - the assault continues with bombing and Russia managing to take a few inconsequential buildings in the northern portion of Azovstal. while at least 100 civilians and 500 wounded soldiers remain in inside
- **Chernihiv** - Russia deploys additional artillery units in border areas of Bryansk region to shell Chernihiv
- **CIS** - meeting of foreign ministers today in Dushanbe, Tajikistan, where almost certainly Russia is attempting to gain support while Georgia and Ukraine are calling them out.
- **US** - \$40 Billion aid package has been held up at least till next week
- **Fuel** - Russia struck the Kremenchug oil refinery in central Ukraine, destroying its production capacity and fuel tanks..
- **Zaporozhia** - Russian army shelling Huliaipole, many vehicles moved from Polohy towards the frontline
- **Severodonetsk** - Russia has almost completely encircled the city with all water, electricity and cell service cut off
- **EU** - Hungary is holding up the oil embargo
- **Donbas** – Ukrainian forces continue to hold strong defensive positions
- **Food** - pray for the world food supplies as Wheat make up 15% of all the worlds calories consumed. And much higher for impoverished countries. Ukraine produces 7% of the worlds wheat and Russia 11% meaning 3% of the entire food supply for the world is cut off, and again a much higher percentage for developing world. While corn makes up 19.5% of global calories and Ukraine produces 2.6% and Russia with 2.3% of world supplies, meaning a further decrease in 1% of the world calorie intake for a total between wheat and corn of 4%. A response to this is that "the Russian invasion is a large shock for agricultural commodity markets, but not historically large. Markets and trade patterns will adjust to absorb it. Farmers around the world will produce more and consumers will cut back or substitute. The transition may be difficult in some places, especially countries such as Egypt that

typically rely on wheat from Russia and Ukraine who must be helped to find alternate suppliers

- **Ukraine - Military** - Defense Forces of Ukraine move to counteroffensive in Kharkiv and Izyum directions - Commander-in-Chief of the Armed Forces of Ukraine General Valery Zaluzhny
- **Russian Military** - trying to create panic among the Ukrainian civilian population and to disrupt the supply lines in the rear, but has minimum success on the battlefield.
- **Mines** - Almost half of the territory of Ukraine needs humanitarian demining - this is about 300,000 square kilometers, according to the State Emergency Service. Every day, an average of 2,000 to 6,000 explosive items are seized and rendered harmless in the country. One day of active hostilities is equal to 30 days of demining. For example, it will take about a year and a half to clear mines in the Kyiv region, where the fighting lasted a month. "Spring is coming, overgrown with grass, and in a week explosive devices cannot be installed visually, only devices. A few months later, due to rains, they sink underground to a depth of 3-5-7 centimeters, they are not visible at all, but they are still working," the minister said.
- **Testing the West - Distractions** - the overturning of Roe vs. Wade has kicked all coverage of a Russia and Ukraine to the back page.
- **Testing the West** - multiple alternative narratives are being focus-grouped by politicians - Like assuming Russia taking half of Ukraine is a done deal. Or turning Ukraine into Cyprus - divided state with Chinese soldiers occupying
- **Russia - Default** - The Russian finance ministry announced it paid nearly \$650 million it owed holders of two of its dollar bonds. Two creditors told Reuters they had not yet seen the money in their accounts, but a senior U.S. government official confirmed that the payments had been made and that the source appeared to be outside the limits of the current sanctions. The Credit Derivatives Determinations Committee, representing major global banks and asset managers, met on Friday and acknowledged the reports of Russia's payments, but nonetheless made plans for a credit default swap auction next week "solely in order to prepare for the possibility of a Failure to Pay Credit Event." If Friday's announced payments clear, attention will shift to two events at the end of May:

1. Transactions between U.S. persons and Russia's finance ministry, central bank or national wealth

fund are only allowed under a temporary license issued by the U.S. Office of Foreign Assets Control (OFAC) that will expire on May 25. The U.S. Treasury has not commented on whether that deadline will be extended.

2. Russia faces coupon payments due on May 27 on a dollar bond issued in 2016 and an euro bond issued in 2021. The payment on the euro bond could be done in ruble as a last resort, but the dollar bond does not have that provision.

- **Belarus** - starting emergency military exercises today, claims it does not pose a threat to its neighbors.
- **Narrative** – probing attacks from many directions in the media and with politicians continue as they attempt to discover a way to distract, divide or dissuade support for Ukraine and for Russia's total expulsion from Ukraine and for Russian government to be held accountable. Continue to pray for solidarity and truth and those in occupied territories who are suffering and/or have been deported will be heard and not forgotten or abandoned.
- **Putin** - Russian President Vladimir Putin is set to undergo cancer surgery and temporarily hand over power to a hardline former federal police chief, according to a new report. Putin will transfer control of Russia's government to Nikolai Patrushev, head of the Russian federal police's Security Council, while he is incapacitated during and after the procedure, according to a video from the mysterious Telegram channel "General SVR" on Saturday. Putin will transfer control of Russia's government to Nikolai Patrushev, head of the Russian federal police's Security Council, while he is incapacitated during and after the procedure, according to a video from the mysterious Telegram channel "General SVR" on Saturday. The channel — which is purportedly run by a former Russian Foreign Intelligence Service lieutenant general known by the pseudonym "Viktor Mikhailovich" — reported that Putin has been told by doctors that he must undergo an operation. The anticipated surgery and recovery are expected to incapacitate Putin for "a short time," according to the unconfirmed report. "Putin is unlikely to agree to hand over power for a longer period of time," the narrator of the video states, adding that the control of the country will likely be in Patrushev's hands for no more than two to three days. "I will say that this is the worst option," the narrator adds. "Patrushev is an outright villain. He is no better than Vladimir Putin. Moreover, he is a more cunning, and I would

say, more insidious person than Vladimir Putin. If he comes to power, Russians' problems will only multiply." "Viktor Mikhailovich" ominously hinted that he and his allies "will make certain efforts so this does not happen, and I hope we will succeed."

- **Social Media** - Russia's online trolling operation is becoming increasingly decentralised and is gaining "incredible traction" on TikTok with misinformation aimed at sowing doubt over events in Ukraine, a US social media researcher has warned.
- **Russian Military** - Russian forces have made gains in the area of Lyman and Velyka Novosilka, but the progress is relatively slow. Ukrainian troops continue its defensive war and prepare for possible Russian offensive operation towards Kryvyi Rih and Mykolaiv as troops continue to amass in The Kherson Region. Mariupol – Pray that any evacuations actually successfully remove civilians to Ukraine and do not end in deportation. Also pray that the Ukrainian soldiers are able to be resupplied and continue to hold out.
- **Russia - Military** – shelling of Kharkiv continues and intensified as well in eastern Donbas and but all is relatively quiet near Izyum and Kherson and on Zaporozhia front shelling has ceased but with no sign of the threatened ground offensive.
- **Fuel** – with dangerously low availability of fuel, much of Ukraine's economy and food supply could be affected, but also the military and humanitarian aid distribution.
- **PTSD** – they are seeing that those fleeing the Russians are holding on for about 10 days and then face complete mental breakdown.
- **Russian Military** – time is running out and so their attacks and tactics will become increasingly desperate as these are the true last roll of the die. Because on May 4<sup>th</sup> the financial default hits and true victory would give them means to negotiate.
- **6 Russian Key Objectives to Pray Against**
  1. Kharkiv - Destroy, Encircle, Capture
  2. Izyum – push south to encircle Donbas
  3. Slavyonsk and Kramatorsk – in the east to complete a smaller encirclement of the cities
  4. Mariupol – completely destroy all opposition and export the populations
  5. Zaporozhye - Russian troops are building up forces and building logistics a massive concerted attack
  6. Kherson – Russia is facing sabotage from the people but is still attempting to push north

toward Kryvyi Rih and west toward Mykolaiv, then to Odessa and to Transnistria and eventually to Moldova.

- **Izyum/Kherson/Zaporozhye** – there is much evidence that Russia is desperately attempting to catch and conscript any and all able men in the occupied regions and force them to fight for them.
- **Ukrainian Artillery** – all of the defensive positions are using Soviet Era 152mm ammunition and NATO has been scrambling to provide Ukraine with all that it needs but they are running out. As the US is finally willing to send artillery (theirs is 155mm) it will still be months until it can reach the front lines and be used effectively.
- **Deportations** – Russia has deported over 500,000 people from Ukraine to Russia. 134,000 of those from Mariupol alone.
- **Mercenaries** – Continue to pray for all mercenaries to be neutralized in any way!
- **Logistics** - Russia logistical challenges are still problematic even though the supply lines to the Donbas are shorter, and much will depend on the condition of the roads and railways.
- **Refugees** – now 5.2 million have fled Ukraine. Pray for their safety, provision and care.
- **West** – pray that the pressure would continue to mount on western leaders to ban oil and gas imports and to continue to increase meaningful heavy arms donations.
- **Russia** – pray that the emotional need to make a huge statement and reaction to the sinking of Moskva will lead to Russia moving prematurely and without adequate preparation and coordination and thereby dooming their own assault. Or to make a move that so steels international resolve that it makes supporting Russia impossible even for China and India.
- **Belarus** - Secretary of security council of Belarus warns of provocations from Ukraine to get Belarus involved in the war
- **Russian People** – pray they understand the Truth and reject the lies they've been told and rise up
- **US** – pray that Lend/Lease gets fast-tracked and raise on the House floor and approved **today**
- **China** – has doubled down and the Russian propaganda and refused to admit the atrocities were committed by Russia or any other point

**Pray Points - Continued**

- **Ukraine** - Almost two-thirds of Ukrainian children have fled their homes, the UN says. About 4.8 million out of 7.5 million children had to leave their homes, said Manuel Fontaine from UNICEF. He confirmed the deaths of 142 children, but added that the number is "almost certainly higher"
- **Economy** - Ukraine economy to contract 45.1% this year, Russia 11.2%: World Bank
- **Rage** - Pray against rage as videos have come to the four about Ukrainian soldiers summarily executing Russian soldiers. Although they can obviously feel incredibly justified, this is destructive to them and provides ammunition to Russia their attempt to create an alternative narrative in Ukraine.
- **Russian Military** - Russia is sending an 8-mi long convoy of 100s of vehicles, including armored vehicles and artillery southbound through the Ukrainian town of Velykyi Burluk. The convoy is moving about 60 mi east of Ukraine's 2nd-largest city of Kharkiv, as Russia focuses on Donbas. Russian Ministry of Defense claims destruction S-300 SAM at Chuhuiv airbase and Starobohdanovka in Mykolaiv region. Also claimed destruction of National Guard base in Zvonetske of Dnipropetrovsk region
- **TRUTH** – pray that an ever-increasing steady stream of the atrocities committed by the Russians will be revealed and documented to maintain the ever-increasing pressure on political leaders and parties to act with speed, vigor and determination.
- **Russian Lies** – pray that all their various alternative narratives would be revealed as rags and shadows for all to see.
- **Evacuation & Panic** - Ukraine has urged civilians to leave the east of the country “while the opportunity still exists” before a massive Russian military assault that it expects in the coming days. The governors of the Kharkiv, Luhansk and Donetsk regions were calling on people to move immediately to safer areas. “It has to be done now, because later people will be under fire and face the threat of death. There is nothing they will be able to do about it.
- **May 9** - Reports are that Putin needs the invasion successful in time for the Victory Day parades,

thereby threatening great attacks over the coming month. Putin would want to have an “announceable success” by then, which could create “some tension” with Russian commanders as exhausted forces were likely to be thrown into battle fairly soon in an attempt to gain ground in Donetsk, Luhansk and Kharkiv. This also is at the end of the 30-day default negotiation period (ending on May 5) meaning incredible pressure is on Russia to achieve victory by then.

- **Europe/US** – pray they will block all gas imports and provide truly meaningful military support.
- **Oil** – Pray that Europe would have the political will to do a complete embargo of Russian fossil fuels (oil, gas, coal, etc.)
- **Occupied** - Many villages completely cut off from all supplies and food and water!
- **Global Food** - there could be a global food crisis as Ukrainian farmers are being forced to limit what they plant due to the war. And also due to the fact that the main ways that they have a reaching global markets through the Black Sea is now blocked by Russia. Russia and Ukraine together produce 25% of all grain in the world!
- **Refugees** - According to Polish border guards, more than 2.4 million people have fled Ukraine to Poland . However, supplies have dropped off and now the whole regions are struggling.
- **For the Weak** - Russia has flown more than 300 air sorties over Ukraine in the past 24 hours: senior U.S. defense official
- **Russian Elites** – to turn on one another and on Putin
- **Russian Military** – continuing to press in the north, but the real danger is that Russia seems to preparing for an all-out push in Donbas to encircle the Ukrainian army and to take the entire region and to create a united front against Ukraine.
- **Russian Soldiers** – pray for their physical, emotional and spiritual well-being and for them to have the courage to face the Truth and the opportunity to receive the Gospel which is the ONLY answer to the atrocities they’ve already committed.
- **Russian Opposition** – that those in the inner circle will see a way out and that Russian Opposition would be able to gather together in a meaningful way

- **The Truth** – In all things that the Truth would be painfully evident and unavoidable in all public discussion
- **Ukrainian Army** - Russia is attempting to encircle the Ukrainian Army in Donbas
- **Russia** – for the people to wake up to the Truth and rise up
- **Putin's Inner Circle** – to fragment and turn on one another
- **Protection of the Weak**
- **The West** – to not grow numb to atrocities, but be compelled to action
  1. **Sanctions** – Loopholes would be closed and sanctions rendered effective
  2. **Oil Embargo** – That Europe would make the choice to stop immediately at the very least paying for gas & oil
  3. **Heavy Weapons** – provide planes, tanks, heavy artillery and high-altitude weapons

## Prayer Encouragement

"Each time, before you intercede, be quiet first, and worship God in His glory. Think of what He can do, and how He delights to hear the prayers of His redeemed people. Think of your place and privilege in Christ, and expect great things!" — Andrew Murray
